Kapp Congratulates Richwood Banking Company On New Plain City Branch Office

Plain City, Ohio's newest bank sits at the intersection of Routes 42 & 161. This beautiful 5,300-square-foot facility, home of The Richwood Banking Company latest branch, boasts specialty millwork from Kapp Construction and extensive use of mahogany, from the six-panel doors to the wood trim and baseboards.

Opened in March, the project was completed ahead of schedule due the diligence of Kapp superintendent Randy Denny and his outstanding crew.

Kapp Construction is also proud to have partnered with McCall Sharp Architecture on the project.

Springfield Family Practice Celebrates New Medical Building

Kapp Construction recently completed construction of this new 3,000-square-foot addition to the Derrfield Office Condominiums on Derr Road in Springfield. A design/build project, Kapp project manager Larry Taylor, supervisor Gary Baird and their crew worked hand-in-hand with the medical team at Springfield Family Practice to bring this new facility to life.

The new building houses three practitioners utilizing nine examination rooms. Natural wood is featured throughout the interior.

The entire building team offers its congratulations to Springfield Family Practice and wishes it the best of luck in its new facility.

For information on the remaining five condo units and how our design/build team can design and deliver a first class office for you in this growing area of Springfield, contact Kapp Construction at 937-324-0134.
